

2020 North Texas Tollway Authority (NTTA) Capital Plan Review

THURSDAY
January 9, 2020 | 7:30 - 9:00 a.m.

The North Texas Tollway Authority (NTTA) is one of the largest and fastest growing toll authorities in the nation servicing the 4th largest metropolitan area in the nation. With the massive growth occurring in Texas, NTTA is charged with providing mobility solutions for the millions of people traveling in, out and around the North Texas Region. Meet and learn from Elizabeth Mow, Assistant Executive Director of Infrastructure at NTTA, as she discusses the NTTA Five-Year Capital Plan, which includes the following major projects: Dallas North Tollway (DNT) Improvements, President George Bush Turnpike (PGBT) Widening Project and the Sam Rayburn Tollway (SRT) Fourth Lane Projects.
